

ANGLOPHILES TUTOR FEES 2023

- ✎ The table in this pack will tell you which courses we are running in which centers, dates and the tutor fees that apply.
- ✎ Anglophiles Tutors have self-employed status and are not therefore subject to employee PAYE and National Insurance deductions. You are responsible to self-declare your own earnings.
- ✎ You are required to indicate on the Tutor Course Preference Chart which courses you would like to teach. There are Homestay and Residential Centers. Next to each of your preferred choice of courses, indicate whether you wish to work full-time or part-time (mornings only). Payments vary for each course.
- ✎ The tables list our courses by period throughout the year, their specific dates, locations, and tutor fees that apply.
- **FEES DEPENDENT ON EXPERIENCE AND QUALIFICATIONS.** It is recognised that a wide variety of qualifications and experience may be appropriate; however, teaching staff should hold an ELT certificate resulting from a course of at least one hundred contact hours and a minimum of six hours' observed teaching practice. All qualifications must be validated by a university or internationally recognised examination board. All tutors should be able to demonstrate a clear grasp of ESOL methodology and the ability to implement it in the classroom.
 - Rate 1: Degree and TEFL qualification, plus experience teaching children/ teenagers
 - Rate 2: Degree and TEFL qualification, but no experience teaching children and teenagers.
- ✎ On Homestay courses, you may work either **full-time** (teaching in the morning and activities in the afternoon) or on a **part-time** basis (mornings only).
- ✎ On Residential courses in France all teachers work on a **full-time** residential basis (*teaching + activity duties*)
- ✎ On Discovery or Magical courses, you work either on a full-time residential basis or a full-time non-residential basis.
